[Course Description Overview »](#)

Virtual and Remote Team Building

Formats: [4-hour virtual course](#) | [1-day instructor-led onsite](#)

Virtual teams are more prevalent today than they have ever been. And the challenges of working with remote team members have never been more difficult. This interactive program teaches your virtual or remote team to act as one while maintaining individual accomplishments and fostering a sense of cohesiveness.

[Learning Objectives »](#)

- Compare virtual and remote teams
- Review the phases of team growth and apply them to a virtual environment
- Apply best practices for building and maintaining trust in a virtual team environment
- Develop a code of conduct
- Avoid and overcome common obstacles
- Identify communication and technology tools
